**RAIL TRAM AND BUS UNION**

Bulletin No:08/2010

3<sup>rd</sup> February 2010

**TO: RTBU MEMBERS - CENTRAL**

## VICTORY FOR STAFF AT CENTRAL

The meeting set down for today has been cancelled due to a strong stand by RTBU members at Central. As you were aware we were to conduct a meeting on the main concourse to discuss what action needed to be taken to have RailCorp address the inhabitable facilities.

Members' show of solidarity has forced RailCorp to purchase 3 new Air conditioners, new chairs and tables with a commitment to have a wall unit air conditioner installed today.

The RTBU are currently arranging to have our Senior Station representatives briefed by RailCorp this week on the major meal room upgrade. We have also demanded that these representatives be regularly briefed on the progress of the major upgrade to ensure that RailCorp's commitment to refurbish the meal room is not some hollow promise given to ordinary workers to make them go away.

**WELL DONE CENTRAL MEMBERS!!!**
